from 9:00 a.m. to 2:00 p.m.

The Environmental Collection Center is a cooperative effort of the County of Los Angeles, Los Angeles County Sanitation District, City of Long Beach, City of Signal Hill and EDCO.

## Need Some Extra Cash? Visit EDCO's Recycling Buyback Center.

Are you wondering what the symbols and labels mean on your beverage containers? If you see, "CRV" (CA Redemption Value) or "California Cash Refund," then there's more than a beverage you can get from that container.

That's right, bring in those aluminum cans, CRV glass beverages containers and CRV plastic beverage containers to EDCO's Recycling Buyback Center for some CASH! You'll not only be doing the right thing by recycling, but also be putting some extra change in your pocket too.

EDCO's Recycling Buyback Center also accepts donation value items including paper, cardboard, non-CRV household containers, FOG, Styrofoam and used motor oil.

2755 California Ave.,
